TOWN MEETING WARRANT
STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Bethlehem in the
County of Grafton in said State, qualified to vote in
Town Affairs:

You are hereby notified to meet at the Town Building in said Bethlehem, on Tuesday, the thirteenth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
3. To see what sum of money the Town will vote to raise and appropriate for highway purposes.
4. To see what sum of money the Town will vote to raise and appropriate for the services of a district nurse.
5. To see what sum of money the Town will vote to raise and appropriate for Memorial Day.
6. To see what sum of money the Town will vote to raise and appropriate for advertising.

7. To see if the Town will vote to authorize the Selectmen to borrow money during the current year on the credit of the Town to pay current indebtedness in anticipation of taxes.

8. To see what sum of money the Town will vote to raise and appropriate for the removal of garbage.

9. To see if the Town will vote to raise and appropriate money for Town Road Aid.

10. To see what sum of money the Town will vote to raise and appropriate for White Pine Blister Rust Control.

11. To see if the Town will vote to adopt the Budget Act.

12. To see what sum of money the Town will vote to raise and appropriate for the White Mountain Region Association.

13. To see what sum of money the Town will vote to raise and appropriate towards the maintenance of the Littleton Hospital for the ensuing year.

14. To see what action the Town will take in abating the property tax of the Bethlehem Country Club and authorize the Selectmen to act thereon.

15. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 26th day of

February, in the year of our Lord nineteen hundred
and forty-five.

Harry A. Goodwin

Allen E. Hazen

Philip Lyster

Selectmen of Bethlehem, N. H.

Report of Board of Education

To the Citizens of Bethlehem:

The school board herewith submits its annual report. The report includes the treasurer's report for the fiscal year July 1, 1943 to June 30, 1944 with a statement of expenditures; budgets and estimated receipts for the present school year and for next year; written reports by the superintendent of schools and by the headmaster of the high school. Expenditures for janitors' and teachers' salaries during the past year have been heavier than anticipated. The amount spent for insurance has been increased to provide greater financial protection against possible loss.

We recommend that the school district raise the sum of \$32,500.00 for the support of schools for the year beginning July 1, 1945.

Respectfully submitted,

Charles Brown, Chairman

Bernard Harvey

Henry J. Cere

Mabel F. Harrigan

J. Elmer Harrington

Mildred L. Bonardi

Superintendent's Report

To the School Board and Citizens of Bethlehem:

It is with pleasure that I submit my first annual report relative to your schools.

Two new teachers joined the staff last September. Miss Anna Garabedian of Somerville, Massachusetts, a graduate of State Teachers' College at Salem, Mass., replaced Miss Harriet Congdon as commercial teacher. Miss Congdon had resigned earlier to accept a position in Catskill, N. Y.

Mrs. Doris S. Buswell of Andover, New Hampshire, assumed the position of music supervisor which had been vacant since February. She has had extensive training at the Stanstead Conservatory of Music, McGill University, and State Teachers' College in Lowell, Mass., with several years of successful experience as teacher in Massachusetts and New Hampshire schools.

The enrollment last year as will be seen in the table at the end of this report was 164. This year 161 have registered, 9 more than on the corresponding date last year.

Several improvements have been made in materials of instruction this past year. A modern reading system and set of language books have been supplied in the lower grades with the aim of improving reading ability and use of the English language. Many old books have been replaced, new books have been purchased for high school courses, and guidance material supplied.

The medical inspection report of last year showed

133 pupils were examined and the following defects noted and reported to parents: Underweight 38, defective vision 13, defective hearing 14, defective teeth 17, diseased tonsils 1. The school nurse reported corrections as follows: Underweight 23, defective vision 9, defective teeth 8, diseased tonsils 1. The audiometer test was given to Grades III to XII inclusive. The tuberculin patch test was given to junior and senior high school pupils, with three doubtful cases x-rayed. Clinics held included: 3 vision, 2 dental, 1 tonsil. Athletic groups had a complete physical examination by the school doctor.

The penny milk program is again being carried on this year. A lunch of hot soup or cocoa is being prepared during the winter. The shorter noon recess has helped toward a more efficient and orderly building.

Schools continue to be affected in many ways by war conditions. The most serious effect is the acute shortage of teachers. Even though the majority have stuck to their important work of teaching, keen competition among school districts to secure good teachers has made it ever more difficult for smaller schools to fill vacancies. Salaries have increased and will continue to rise as long as present conditions exist. Looking beyond the immediate danger to our children's educational welfare, we must realize that effective education is the bulwark of democracy in the future. When our young people leave our schools to take their places in society we want them to be well equipped to face the competition of modern living. Under these circumstances we must be financially able to secure and keep the best teachers available.

We have been very fortunate in being able to keep our school operating with reasonable standards of

efficiency. Cooperation on the part of school children, parents, teachers and citizens has helped to make the most of what we have and to do the best job possible in the face of many difficulties. All such efforts of those various individuals have been very much appreciated.

Respectfully submitted,

Harlan E. Atherton

Statistics For The School Year 1943-1944

Totals	81	83	164	133.86	125.17	93.33

Headmaster's Report

To the Superintendent of Schools:

The following is my second annual report and summary of work.

The total enrollment for the building is 161 up to the present time. The total enrollment for the high school is 43.

This year Miss Anna Garabedian is teaching the commercial subjects, and coaching the girls in basketball. She has charge of the sale of war savings stamps and bonds, the sale of which has amounted to nearly \$1,000.00 at the present time.

Mrs. Doris Buswell has made music a very strong feature of our school program. The results of her work have been enjoyed by the community. Both the Armistice Day program and the Christmas play, "The Miracle of the Clock," showed the high caliber of her work.

Miss Irma Parks has again coached a very successful play and is working hard to develop a strong Sakatyn Club.

Miss Nancy Klingensmith is leading a group of girls in the Camp Fire program. She has also sent for many excellent moving pictures from which the school has profited.

The building is being well heated and kept up by the able services of Mr. Edward Devaney.

It is the desire of the National Education Association of America that we teach boys and girls how to live in such a way as to develop and improve our democratic form of government. This may best be done by having the pupils follow democratic practices whenever possible and practical in their school activities.

Bethlehem High, along with many other schools, has developed a constitution for its Student Council which tends to improve the school program of activities.

The school plays basketball this year in the Ammonoosuc League. Both boys and girls show improvement in basketball this season.

The Science Club has become affiliated with Science Clubs of America. This organization helps to enrich the program and opportunities of the local club.

We serve either hot cocoa or hot soup each noon. The penny milk program is being carried on again this year and the pupils benefit greatly from this opportunity.

The pupils have improved as a whole in their scholastic standing. There are fewer pupils in partial standing in their classes than at this time last year. Particularly is this true of the underclassmen.

I want to take this opportunity to thank you, Superintendent Atherton, for your interest and kindness in obtaining modern guidance material for the use of Bethlehem High School. The book on vocations, and the Kuder Interest Tests are guides to help each pupil who wishes to help himself become better adjusted.

May I thank the school board, superintendent of

schools, the teachers, pupils and citizens for their kind cooperation in helping to strengthen the scholarship, morale and good will of Bethlehem School.

Respectfully submitted,

Stephen T. Crowther
